Matt,

Conoco Phillips is applying for a dredging permit for their Willbridge terminal. Here is some stuff from Alex Liverman (Cyril) regarding a pre-meeting they had with Conoco Phillips. Forward on to EPA and/or connect them directly with her.

AMEC has prepared the attached project information and figures to facilitate today's pre-application meeting with Conoco Phillips Co. regarding its proposed dredging project located at the Willamette Cove (Willamette River ~RM 7-8).

Thank you and we'll see you later today at the Portland District Corps Robert Duncan Plaza Building, 8th Floor, Regulatory Conference Room at 1 PM.
